**Admission Procedure:**

Round:

- The admission process has multiple rounds.
- In each round, the institute will allot a seat to the applicant, and the applicant will have a deadline by which they can accept or decline the allotted seat;
- In the event no seat is allotted to the applicant, the applicant can continue to further rounds. This is not automatic.

Seat Acceptance:

- The applicant should use the portal to explicitly accept the seat **and** pay the required fees as given below.
- Applicants who fail to do so will have their seat allotment cancelled and will not be considered for the further rounds of admission.

Continuation to Further Rounds:

- An applicant **MUST** explicitly concur (agree) to participate in further rounds of seat allotments.
- This requires logging onto a portal and indicating acceptance **and** paying the required fees as given below.

Cancellation:

- An applicant can cancel their seat allotment at any time before reporting to the institute.
- Depending on the round of seat allotment and the date of cancellation, appropriate refund of the total amount paid will be sent back to the applicant by the end of September.
