

PT CREDIT EVALUATION PROCESS

January 2018

1. Students attending PT/ Yoga must report to the class on time and be appropriately dressed (Sports dress for PT and loose clothing for Yoga).
2. Students have to give their attendance via bio metric device.
3. During the semester, if any student is not able to continue physical exercise due to medical issues, he/she may be shifted to do yoga with recommendation of Head-PEC and with approval of Chair Sports.
4. Students willing to do complete yoga course as a part of credit course can send their applications with their support documents and reasons for shifting to Dean Academics for approval.
5. If student takes part in any special events they get extra attendance of 1 day besides the day of event. Examples of events: - 5 k run, 10 k run, 25k cycling, sports meet, sports carnivals, special sports events which are organized by Physical Education Centre.
6. Attendance will be displayed for information on the PEC notice boards after end of every month.
7. Boys must attend 85% of the classes and Girls must attend 80% classes conducted during the semester. This includes both Yoga and PT. Within the above set of classes, any student is expected to attend 20 sessions of Yoga minimally.
8. All the students must complete PT credit course in the first two years (first 4 semesters time) itself. If a student fails to do within first two years then he/she must take special permission from Dean Academics to postpone the course.
9. Besides regular attendance each student must follow the instructions of the course In-charge and do the activities. The instructor reserves the right to cancel the students' credit if he/she deems that student is not sincere and is not putting in the requisite effort in the activities.
10. Final result will be sent to Chair Sports for first approval and then to the Dean Academics for the final approval.
