

## Statistical Cell, IIIT Hyderabad

Any University's ranking provides information about its performance when compared with its peers. It identifies the areas of strengths and weaknesses and, Universities can gain a global brand and visibility.

The Statistical Cell at IIIT Hyderabad came into existence on 6th June 2019 to introduce quality aspects in the areas of teaching, learning, research, innovation, and outreach etc.,

Broadly, the Stats Cell's functions are three-types:

- (i) It coordinates with faculty, staff, and students and collects and participates in several rankings viz., QS, THE & Shanghai (International Rankings); NIRF and ARIIA (GoI National Rankings); Other Private rankings viz., DataQuest, India Today and, The Week etc.,
- (ii) The Stats cell also looks after Institute's accreditation exercises such as NBA, NAAC, and ISO etc.,
- (iii) Notwithstanding the above, the Stats Cell also coordinates with several regulatory organizations viz.,
  - o Ministry of Education (MoE)
  - o University Grants Commission (UGC)
  - o All India Council for Technical Education (AICTE)
  - o Association of Indian Universities (AIU)
  - o All India Survey on Higher Education (AISHE)

All the above data templates are published and widely disclosed for the benefit of the campus community on the Intranet Portal <https://intranet.iiit.ac.in> >> Research & Outreach >> Statistical Cell.

*Also Available on IIIT Hyderabad's Website:*
