

**Guidelines to the students, who are converting from 4 year B.Tech programme to 5 year Dual Degree programme.  
(Applicable till batch of 2007)**

- a. They have to complete 16 credits over the B.Tech requirements in their 4 years.
- b. 2 PT credits to be completed during the first four years only.
- c. Max. of 8 credits will be allowed to register in the 5<sup>th</sup> year 1<sup>st</sup> sem, if the student could not complete the total credit requirements in 4 years.
- d. If the student could not complete more than 8 credits out of required total credits in first 4 years, he will be treated as a UG student and has to pay the tuition fee on his own.

**Guidelines to the students, who are converting from 4 year B.Tech programme to 5 year Dual Degree programme.  
(Applicable from the batch of 2008)**

- a. They have to complete 16 credits over the B.Tech Requirements in their 4 years
- b. 2 PT credits to be completed during the first and second year only.
- c. Max. of 8 credits will be allowed to register in the 5<sup>th</sup> year 1<sup>st</sup> sem, if the student could not complete the total credit requirements in 4 years.
- d. If the student could not complete more than 8 credits out of total required credits in first 4 years, he will be treated as a UG student and has to pay the tuition fee on his own.

**Conversion of Dual Degree students to PhD programme**

The institute would encourage the Dual Degree students to join the PhD programme. Dual Degree students, who wish to convert from their MS by Research to PhD programme, would be given B.Tech at the end of 5 years. (All the requirements of B.Tech programme have to be completed).
