DASA Admissions

April 2017

Eligibility for submission of application:

Admissions under Direct Admission for Students Abroad (DASA) for Undergraduate Programmes for the Academic year 2017-18 at International Institute of Information Technology, Hyderabad, India is open to candidates who have

- Studied 11th and 12th or equivalent <u>outside</u> India
    or
- Hold a foreign passport

Applicants seeking admission under this mode have to follow a separate online process for IIIT, Hyderabad.

Please note that there is a change in the eligibility criteria from the academic year 2017-18 onwards.

New eligibility criterion: <u>Both SAT and SAT Subject Tests Scores are mandatory</u> for application; the essay part of SAT is not required. The test scores should be reported directly to IIITH by the College Board *before* the last date of submission of online application form.

Academic Eligibility:

- Applicants should have completed 12th class or equivalent by May 2017 or earlier. Candidate should have scored at least 60% marks (or 6.0 grade on 10 point scale) in each of Physics, Chemistry, and Mathematics

- Applicants should have a minimum aggregate score of 1600 (out of maximum of 2400) in the old format SAT and a minimum aggregate score of 2000 (out of maximum of 2400) in SAT Subject Tests in Physics, Chemistry and Mathematics. Both scores are mandatory. Scores of candidates writing SAT as per the new format will be mapped using the concordance tables available from College Board (USA).

Selection Criteria:

Admissions through DASA for 2017-18 will be through the SAT and SAT Subject Test Scores. The primary ranking criterion is the *total* of SAT

Subject Tests Scores in Maths, Physics, and Chemistry. All applicants will be ranked based on the total scores first. In case of a tie in total scores, the following scores (in the given order) will be used to resolve the same.

1. Maths (SAT II)
2. Physics (SAT II)
3. Chemistry (SAT II)
4. Total SAT score
5. Critical Reading (SAT)
6. Mathematics (SAT)
7. Writing (SAT)
8. Students tied even after this stage will be interviewed in person or
   over Skype to break the tie

Programmes Offered:

Four-year single degree programmes:
- [**CSE]** B.Tech in Computer Science and Engineering
- [**ECE]** B.Tech in Electronics and Communications and Engineering

Five-year dual degree programmes
- **[CSD]** B.Tech in Computer Science and Engineering and Master of Science in Computer Science and Engineering by Research
- **[ECD]** B.Tech in Electronics and Communication Engineering and Master of Science in Electronics and Communication Engineering by Research
- **[CLD]** B.Tech in Computer Science and Master of Science in Computational Linguistics by Research
- **[CND]** B.Tech in Computer Science and Master of Science in Computational Natural Sciences by Research
- **[BSD]** B.Tech in Civil Engineering and Master of Science in Building Sciences and Engineering by Research

Sanctioned Number of Seats:

- Computer Science Programmes (CSE and CSD): 20

- Electronics & Communications Programmes (ECE and ECD): 10

- Other Programmes (CND/CLD/BSD): 5

Application Process:

Online applications should be submitted by the candidates on our website. *Online application portal will be opened in February/March every year.*

Application Fee:

A fee of **INR 6000** is to be paid online**,** while submitting the online application.

SAT Score Time Line to Reach IIIT-H from College Board:

SAT & SAT Subject Test Scores have to be sent directly through College Board to IIIT, Hyderabad **(Institute Code: 6997)**. The scores should reach IIITH on or before the submission of online application deadline. Failure to receive the score of an applicant will automatically result in rejection of their application.
